

SUMMER 09

WEST OF IRELAND CENTRE

AMAZING ANSWERS
TO PRAYER

During the last few years we have been aware of the impending need to replace our very tired mountain bikes which had served us well over the last 10 years.

Through Mitch of Crown Jesus Ministries we were connected to a firm called CHAIN REACTION who are the world's largest on line bike store and they are based in Doagh in Co Antrim.

Following some telephone conversations we were able to order 20 bikes which were being supplied to us at a very competitive price.

On the day we were going to collect the bikes we met up with Mitch and had the opportunity to meet with the owner and director of CHAIN REACTION.

After we had loaded the bikes we were going to pay and we were absolutely speechless whenever they told us not only were they donating the bikes to the Centre but they were also equipping us with new helmets and body armour

You can imagine how truly blessed and amazed we were at this incredible gift and we had the opportunity to tell all who were at the camp how God has supplied our need through the generosity of **CHAIN REACTION**.

SUMMER CAMPS

Once again the summer has come and gone. It is amazing to think of all the youth who came to Sligo for the summer camps and have returned to their homes with precious memories of new friends, campfires, bike rides, raft building, games, food etc and most importantly a clearer understanding of their faith and their walk with God.

This summer we saw over 50 young people come to faith and it was wonderful to see The Lord at work in their lives during their week at camp.

The dedicated team of leaders who accompanied each camp were a joy to work with.

Please continue to pray for these youth leaders as they return to their churches where they will have the responsibility for teaching and training these young people as they grow in God.

Thank you for your prayers.

John with the owner and directors of CHAIN REACTION & Mitch (Crown Jesus Ministries.)
